Workbay WS ARENA PLUS

Standard dimensions: 6 m x 8 m x 3.5 m

The WS ARENA PLUS is the premium version of the workbay systems and also includes the aluminium truss system, energy-saving LED lighting and a special welding protection curtain. It differs from the basic version by the mobile media trolley. The media supply trolley was especially designed for the use in the workbays and offers several

practical features. These include drawers, storage cable and hose reels, power outlets, a telescopic arm mount, USB ports and much more!
